

SULPHAMIC TOILET CLEANER

- Cleans, descales and deodorises in one operation
- Viscous liquid clings to surfaces for effective cleaning
- Safe on stainless steel

USES

Acidic toilet and washroom cleaner. STC is used neat for descaling toilets and urinals or as a diluted solution for general washroom cleaning.

The thick blue liquid contains safe sulphamic and citric acids to dissolve limescale and organics and remove grease, body oils and scum from surfaces.

Ideal for cleaning toilets, urinals, showers and sinks, STC is safe for use on stainless steel.

Safe on porcelain, stainless steel, chrome, ceramic and tiled surfaces when used as directed.

DIRECTIONS

Spray or pour on to soiled surface, leave for a few minutes contact time. Then flush away thoroughly with water. Agitation with a brush will help remove stubborn stains.

CLEANING CHROME

Dilute 1 part to 40 parts of cold or hand hot water. Apply to the surface, agitate and rinse thoroughly with clean water.

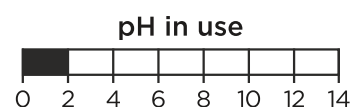

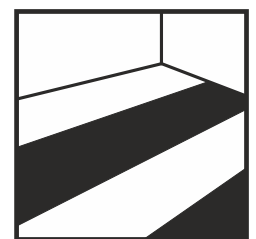

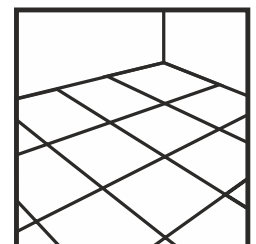

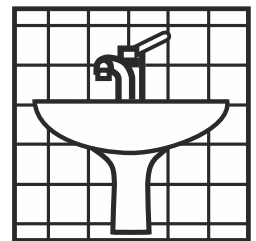

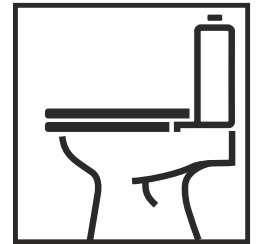

N.B. DO NOT USE ON VITREOUS ENAMEL OR ACID SENSITIVE SURFACES. Always read the label and product information before use.
